A Message to Our Community Partners

Dear Community Partner,

808 Fastbreak Hawaii is a youth basketball club dedicated to developing athletes both on and off the court. We serve boys and girls ages 6-17 of all skill levels, providing an environment centered on basketball development, character, discipline, accountability, family, and culture. Our goal is to help athletes become better basketball players, and help them grow into confident individuals who carry these values into their everyday lives.

Since 2023, we have worked to make quality basketball development more accessible to young athletes in our community. Today, more than 40% of our athletes are financially sponsored by our program. We also provide free community clinics, private and small-group training, mentorship, and opportunities for our athletes to learn from experienced coaches and trainers.

As our program continues to grow, so do the resources needed to provide these opportunities. Uniforms and gear, league and tournament fees, training equipment, community programs, and continued education for our coaches all contribute to the quality of the experience we are able to provide. We believe a family's financial circumstances should never determine whether a young athlete has the opportunity to participate, develop, and feel like they belong.

We are inviting businesses and organizations in our community to partner with Fastbreak and become part of what we are building. Your sponsorship helps us continue investing in our athletes today while working toward an even greater vision for the future: creating a sporting facility that provides greater access to training and development while also serving as a space for community programs, events, and opportunities to give back.

Your sponsorship is more than financial support for a basketball club. It is an investment in our youth, their opportunities, and the community they represent. We would be honored to have you alongside us as we continue building a program rooted in development, family, opportunity, and giving back.

Si Yu'os Ma'åse' and Mahalo for your consideration and support.

Sincerely,

Ariah Camacho

President

808 Fastbreak Basketball

Our Mission & Values

At 808 Fastbreak Basketball Club, our mission is to develop the whole athlete through basketball by providing quality coaching, meaningful opportunities, and an environment that challenges our players to grow both on and off the court.

We believe development extends far beyond physical ability. Through our program, we emphasize leadership, humility, accountability, and discipline, while helping athletes strengthen their basketball IQ by understanding the details of the game and the purpose behind what they are learning.

At the heart of Fastbreak is family and culture. We strive to build a strong community where athletes feel supported, challenged, and encouraged to carry the values they learn through basketball into their everyday lives.

Ultimately, we believe every athlete deserves the opportunity to reach their full potential, on and off the court.

Our Vision

To build more than basketball players. We strive to develop confident, disciplined, and purpose-driven young individuals while creating opportunities that extend beyond the court. As 808 Fastbreak continues to grow, we envision a future where every athlete has access to quality coaching, meaningful experiences, and a supportive community regardless of financial circumstances.

Our long-term vision is to establish a home base for our program that serves not only as a place for athletic development, but as a community space where we can mentor, educate, serve, and give back to the families and communities that have supported us.

Who We Serve

Community: West Oahu

Athletes: Boys and girls, ages 6-17 years

Athletes Served Annually: Approximately 50-60 athletes

Program: Year-round skills training with clinic, league, and tournament opportunities

Why Community Sponsorship Matters

Strong youth programs are built through strong communities. When local businesses and organizations invest in Fastbreak, they become part of a shared effort to provide young athletes with positive experiences, meaningful mentorships, and opportunities to grow.

Community sponsorship allows us to strengthen what we can provide our athletes while building relationships between our program and the community around us. These partnerships help create an environment where individuals feel supported not only by their coaches and families, but by local businesses and organizations that believe in their future.

When our community invests in its youth, we all become part of their success.

How Sponsorship Dollars Are Used

- Uniforms & Gear: Team uniforms and necessary player gear
- League & Tournament Fees: Opportunities to compete and gain experience
- Coach Education & Certification: Clinics, certifications, and continued coach development
- Player Education: Clinic opportunities to gain knowledge and increase exposure
- Community Programs: Clinics, events, and initiatives that allow Fastbreak to give back
- Training Equipment: Equipment that supports quality player development
- Transportation expenses when applicable
- Financial assistance for athletes and families when program funds permit

Become a Community Partner

As 808 Fastbreak Basketball continues to grow, we invite local businesses and organizations to grow alongside us. Community partners play an important role in helping us expand opportunities for our athletes, strengthen our program, and continue working toward our long-term vision.

By partnering with Fastbreak, your organization becomes part of a community committed to investing in youth, creating meaningful opportunities, and building something that can make a lasting impact for years to come.

Join us in building the next chapter of Fastbreak–together.

Important Contribution Notice

808 Fastbreak Basketball is a 501 (c) (3) nonprofit organization. Contributions may be tax-deductible to the extent permitted by law. The tax-deductible portion of a sponsorship may be affected by the value of benefits provided in connection with the sponsorship. Sponsors are encouraged to consult with their tax professional regarding their individual circumstances.

Thank You for Investing in Our Youth

Every opportunity we are able to provide begins with people who believe in our youth and the potential they carry. We are incredibly grateful to the businesses, organizations, families, and community members who choose to stand behind Fastbreak and support what we are building.

Your partnership allows us to continue creating meaningful experiences for our athletes while building something that extends beyond basketball. More importantly, it reminds our young athletes that they have a community behind them–one that believes in their growth, their future, and their success.

From our Fastbreak family to yours, Si Yu'os Ma'åse' and Mahalo for investing in the next generation.
